To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Riverview Construction. Riverview completed a high school renovation project for \$480,000.00 for the Mt. Diablo Unified School District.

The project was completed ahead of schedule and there were no change orders. During the entire course of the project the communication and teamwork was excellent.

If you need additional information please feel free to contact me at (925) 825-7440, ext #3821.

Sincerely,
